FORWARD

I have infinite gratitude and appreciation for my beautiful family, my soul tribe and the amazing mentors and teachers that have crossed my path through my journey. I will never forget my tremendous experiences treating the thousands of clients that I've been^t blessed with over the last 20 years. All of these amazing people have contributed to the development and success of the techniques in the AWAKE program. As I surrendered into my true authentic self and lived this AWAKE program, I fell in love with the man I will call my husband on 2/20/2020. I am blessed to have a true divine masculine man as my partner in this journey we call life. Most of all, I would like to honor my guardian parents (Who are the embodiment of "All That IS") who literally stood by my side throughout the entire process and taught me what true unconditional love is! I believe true love is the most important energy to bring to our 3D experience. Attracting true love and ACCEPTING true love is a representation of one's ability to truly love yourself. My teachings are geared towards attracting and sustaining this energy in your life.

I was told by my guardian parents that there are enlightened truth seekers that will be drawn to this program. It is my responsibility and PURPOSE to align these souls to the frequency of their authentic selves. It is their time to step forward and shine. YOUR LIFE IS YOUR PURPOSE and YOUR PURPOSE IS YOUR LIFE. As these truth seekers align to the frequency of who they truly are, they will activate and burn like the most passionate fire. This activation will in return activate the souls that they are around. The graduates of the AWAKE program will be aligned to the true frequency of success as they are trained to give this torch to others. True love, health, joy, and financial abundance all come from this frequency, called the "zero-point". This program is for anyone who has a calling to obtaining this state of being. The techniques in this program are unique and designed to set current entrepreneurs apart from everyone else. Competition will be a lower frequency and that term will not be utilized anymore. Aspiring entrepreneurs will find the skillset, know how, mind set and energy set to begin their personal journey to true success and freedom. My whole life has been a training to allow me to be qualified to teach the AWAKE Academy.

The best time to embark on this journey is in the midst of you living your life! This is because as you learn the teachings, this energy will surface in your every day life so that you can make permanent life shifts. In order to truly learn anything, you must embody it, become it, live it. It becomes who you are and using these techniques will be instinctual and natural.

AWAKE

I poured my heart and soul in the makings of the AWAKE Academy and its contents. This 16 week course is designed to get you into the energy set of true success! However, you will be welcome to repeat the course and join us for a life-time!

Welcome to AWAKE

Academy of Wealth Alchemy and Kinetic Energy.

This academy will change your life forever. Have you ever been involved in a true state of alchemized strategic change before?

Collectively, most of our students say it is like getting a full-being makeover. TRUE wealth is wealth of the mind, body and spirit. A person who is financially rich but emotionally depressed or physically sick is lacking true wealth.

AWAKE teaches clients to blissfully reach a state of zero-point consciousness.

This is a place where the only moment in time is the moment of NOW. In this moment of NOW exists a very important torsion field of energy called the “zero-point”.

When you access this point you are embodied in a vacuum that will effortlessly and easily allow you to manifest a life of wealth, true-love, perfect health, and spiritual evolvment.

Before designing this new age program, dozens of extremely successfully people were studied. The definition of success for this purpose, implies that the person is financially wealthy, happily in love, physically healthy, and spiritually abundant. Every successful entrepreneur that was studied and modeled had a way of thinking, acting, and being that just naturally attracts success. This way of being is existing in the “zero-point “ field of consciousness.

AWAKE

Who Is this program for?

This Program is for Everybody! AWAKE is for anyone who is in the process of an awakening, a change, and stepping into their power. This program can benefit energy workers, life coaches, intuitives who need direction on how to work with clients, doctors of any kind, lawyers, entrepreneurs, artists, actors, Anyone who wants to be successful at life and help others to do so too!

The graduates of AWAKE will never stop revisiting the portal because it is a one -stop shop. AWAKE™ emotionally, physically, and spiritually cleanses you and resets you while teaching you how to do the exact same thing for your loved ones and clients. There is so much content in the academy that you will have life-time access to it. You can retake this course as many times as you need and desire, even after receiving all of the certifications.

There are quite a few life-coaches and energy workers advertising their services. One of the biggest complaints that I hear when people come to me is "I am not getting clients". This is because you can't be like everybody else and expect to stand out. The certifications and techniques in AWAKE are different then the average program and have a high success rate. AWAKE teaches you how to access, accentuate and gracefully expose the unique you, while integrating this with your life and your purpose. Your soul family (which are your ideal clients, friends and loved ones) will gravitate towards the authentic frequency of the true you. This is the physics of miracles.

The modules in AWAKE are so unique and diverse that you will have the tools to work with any client that comes to your awareness. The teachings in AWAKE are not just for the students who will be taking clients, but for everyone who wants to be successful in any career, love, and health. Please take some time and review in the upcoming pages the techniques that the modules cover. If you are interested in becoming an energy worker, life coach, or any type of healing practitioner, I guarantee you will not find the diversity of techniques that magically play off of one another in any other program. I have taken what works from A-Z with any of the thousands of clients that I have worked on, and bundled it together in this program.

Artists, real-estate entrepreneurs, CEOs, stay at home moms, and many other people from all walks of life have thrived from AWAKE. Why? This is simple. AWAKE teaches you to shine from the inside out and that light is what the universe is drawn to when you are attracting your 3D reality. The youngest student thus far is 17 and the oldest student is 80. Magic does not discriminate.

TESTIMONIALS

" I have been a client of Rebecca's since 2014. She worked with me on recovering from a death, my relationship, parenting, career, and family issues. She is a one-stop shop However, I can honestly say that she is a hidden gem. I got promoted to CEO of a very large Organization. My income has tripled since working with her. I got promoted the day after she and I covered a deep connection between something that happened in my childhood and why I was staying "stuck" in the job position I was in. She helped me to "clear" and "shift" the energy around this. Boy did my life rapidly transform. I will be honest when I say that it was not until after I meant Rebecca that I understood the connection between financial success and spiritual success. This program is priceless". Adam G. Pheonix, Arizona "

I am writing this testimonial from my hotel in the Virgin Islands. I am making money from the Virgin Islands thanks to Rebecca. I believe everything changed for me when I released the value on my family's judgments towards me. During one of the modules that I was listening to it made so much since when Rebecca said that when I stop judging myself so harshly all of other peoples judgments will magical disappear. I listened and did the exercises around and it worked! People started to become excited when they listened to my ideas and ventures. Now I am making a multiple six-figure income form anywhere in the word that I decide to be. ALL of what Rebecca teaches matters. Also it was 2 months after my work with Rebecca that I found my husband, who I married 2 months ago!! I highly recommend Rebecca and her program!" Susan Tresman Whereever I decide to be!!

"My name is Peter, and I am what everyone would consider to be a Millennial. I watched my parent's make the worst decisions about money in their life. I found it very difficult to understand why my father and mother chose to work for others making a fraction of their potential. I knew since I Wass like 8 years old that that would never be me. When I was 29 I stumbled across literature on the law of attraction, money blocks, the personalities/mindsets of truly successful people and most importantly the concept that we are all energy beings. I quickly shifted my way of thinking and the next thing I knew I stumbled across Rebecca. It was then that I made the best investment for myself by enrolling in her program. If you have ever tried Ayahuasca, I would compare it to that. Our weekly coaching calls after completing her online modules were challenging, humorous, and full of growth. I had an idea, the idea became a concept, the concept became its own consciousness, and that consciousness was integrated into my reality. I am now the proud owner of a thriving vegan organic dog food company. Thank You Rebecca for helping me to anchor my fleeting thoughts into a reality that is just purely amazing!" Peter R. What Will I learn?

Below is an outline of all of the modules and the content:

Each week of the AWAKE Academy there are 2 meditations that you will listen to that will focus on the techniques and healings for that week. These meditations will give you DNA activations and downloads. These assist greatly in releasing of shadow energies and assimilating the higher frequencies that will prevent programs of suffering and sacrifice in your life.

AWAKE is a 16-week Academy. The structure of this program is designed to adapt to anyone's learning style and processing speed.

This program adapts to the schedules of students who work full-time and have children. Many people are transitioning careers during this process or have a full-time career.

There is a module released every Monday and Wednesday for 16 weeks. Each module consists of a learning video by Dr. Rebecca Sullivan, a Manual and an audio and healing meditation.

The audio and healing meditation will assimilate through that night's sleep cycle. The modules are organized in a fashion where they fundamentally build upon one another.

The processing time from Thursday-Sunday is essential to allow the content to integrate into the subconscious mind. Learning too fast can be overwhelming.

There are zoom calls weekly where all classmates have the option and opportunity to ask questions, share experiences, and process anything that needs processed. Healings will be done every zoom call.

Each student will be assigned a partner/partners to practice with. These are amazing opportunities to learn from one another and heal!

You will spend a minimum of 3-6 hours per week on class. However, you can spend as much time as you have partnering up and practicing. Limitless potentiality exists here!

AWAKE

What will learn continued.. Remember you will receive the healing and meditation associated with each module as well as learn how to do this yourself!

This program is geared to teach you that there is no time and space in healing! It is important that you learn to do this work over the phone and video, so that you can potentially have clients from anywhere that you chose!

Module 1: Connecting to your heart space, creating rapport with clients and establishing much needed trust.

Your connection to your heart space is your connection to “ all that is” This connection is essential in all that you do. It is the space of being in the moment, unity, stillness, and relieves you of ego based decisions when it comes to yourself and your clients. It is through residing in the heart space that you will establish the best relationship with yourself and your clients. This is crucial to tap into your authentic self and manifest your true purpose. What a fun and rewarding way to begin the AWAKE program. Plus you will enjoy the guided meditation and healing that guides you to this space!

Module 2: 95% of all beliefs and energies that we carry are NOT ours. This module will teach you how to Clear discarnate and foreign energies that we have in our subconscious minds as well as in our energy fields. You will learn to do this on yourself and others as you desire. Module 2 also focuses on clearing imprints that have been embedded during emotional or traumatic incidents.

Module3-5: Developing your intuitive abilities and your abilities to read your client. Everyone has the ability to utilize their intuition and become clairvoyant. Some people may already be clairvoyant and intuitive but need to learn how to harness and focus this ability. Either way, when you master this ability, the way you live your own life and your ability to help other people will dramatically change for the better!

Module 6: 4Ps- probe, pair, pluck and program: Totally resets the subconscious to allow functional conscious behaviors and clears blocks on conscious, subconscious, energetic and soul level

Module 7: Release FAT (fear, anger trauma)

What Will I learn continued..

Modules 34-37: PLAETM Certification- This certification is new and included in the price for everyone who joins AWAKE before January 31st 2021.

What is PLAETM :PLAE stands for

**Psychedelic
Languaging
Activations &
Encoding**

This certification has been long coming! Dr. Rebecca Sullivan has studied plant medicine such as; Ayahuasca, Psilocybin, and Iboga since 2014. Her journey started in Peru studying and learning with Dr. Joe Tafur (a UCLA Psychiatrist/Shaman). Dr. Sullivan is very passionate about life changing and miraculous healings she has experienced for herself and her clients since 2014. The success stories and miracles that Rebecca has witnessed from psychedelic treatment is phenomenal.

The students who join AWAKE have a precious and rare opportunity to experience this for themselves using the very techniques they learn during the Academy. This is not a requirement but an amazing elective. Some students have chosen to move forward without the PLAETM Certification, but many are super excited about this opportunity and new level of healing.

Americans/Canadians and the rest of the world are flocking to countries such as Brazil, Peru, and Costa Rica to experience plant medicine. However, pre-ceremony and post ceremony integration is KEY to the success of this treatment. The need for Psychedelic Coaches have sky-rocketed and will continue to do so.

The PLAETM Certification will position you as a Psychedelic Coach. Plant medicine speaks a language all on its own and has a morphic field of consciousness that must be respected and understood. You will learn about this beautiful and sacred process and be positioned as a PLAETM Psychedelic Coach to help people experience and integrate this sacred process.
